

Good Morning,

It's hard to believe that the end of another school year is here. As part of closing out one school year to begin another, we must take a moment to pause and evaluate how we're doing and how we can improve. With that in mind and you being part of the Parent Advisory Committee, I would like to share some information with you, and receive some feedback.

Please click on the link below, highlighted in yellow, to view the agenda.
