

SHAC Minutes 2/15/2018

Members Present

Allen Ritchie, Jenna Clements, Tonya Heard, Allison Jasso, Rachel Arthur, Pat Perdue, Molly James

Approval of Minutes

Minutes from 11/17/2018 were approved and seconded.

The Rose

M. James reported that The Rose mammogram event was successful and provided total clients seen for each campus with a grand total of 65 mammograms. There were 21 no-shows.

Physical Activity and Wellness Policy Postings

M. James reported that Education Code 28.004 requires a school district to post on its website the following:

Physical Activity Policies (Education Code, §28.004(k))

· Requires a school district to post on its website a statement of its physical activity policies for elementary, middle school, and junior high school students and statement of the number of times during the preceding year the health advisory council met, whether the district has adopted and enforces policies to ensure that campuses are complying with vending machine and food service guidelines, whether the district has adopted and enforces policies that penalize the use of tobacco products by students, and a statement providing notice to parents that they can request in writing their child's physical fitness assessment results at the end of the school year.

Physical Activity Policies- *Located under The Coordinated School Health Program*

SHAC- *SHAC page states last year's meeting dates. Current year agendas and minutes are posted on web page.*

Vending Machines and Food Service Guidelines- *Located in Reg.*

Tobacco Policy- *Our Student Code of Conduct indicates that the following offense is considered a Level 3 offense: Possession of, selling, or using tobacco products, including but not limited to cigarettes, vapor cigarettes, electronic cigarettes (including any component, part, or accessory for an e-cigarette device), cigars, pipes, snuff, or chewing tobacco. This is also included in transportation policies. Level 3 violations often result in ISS assignments, but can also be addressed through discretionary DAEP assignments.*

Physical Fitness Assessment Results- *Located under The Coordinated School Health Program*

Student Reports

No students present

Other

R. Arthur reported that Beutel Elementary did an activity to push CATCH for Jump Rope for Heart. The PE coach set up different stations to promote overall health and wellness which encompassed CATCH.

Trouble areas of implementing CATCH include coaches who have taught for many years have had trouble implementing new plans.

Elementary track meet coming up.

T. Heard announced upcoming presentation at Brazosport College. A documentary about the use of synthetics called *The Last High* will be shown followed by a panel discussion. This event is open to the community.

T. Heard stated that we have had 8 positives for TCH out of 200 drug tested. The ones testing positive are re-testing positive. Majority are seniors not involved in extra-curricular activities. Counselors are fighting a battle because it is legal in other states so students think it is ok to use.

J. Clements informed committee of girls STEM day which will encompass a health package.
