O.M. ROBERTS ELEMENTARY SCHOOL

School – Family Compact
2023 – 2024

A school-family compact is a written agreement between schools and families that describe how they will work together to support children in reaching high academic standards. As a school receiving Title I funds, O.M. Roberts Elementary School developed this compact in collaboration with parents and students as a way to clarify responsibilities and provide a written commitment of how we agree to share these responsibilities for student learning.
