

Parents/Guardians:

- Is your student in the 7th or 8th grade?
- Does your student need help with homework?
- Does your student need Reading/Writing, Math or Science tutorials?
- Does your student need extra help with STARR Test preparation?
- Does your student need a fun, safe place to be afterschool?

If you answered yes to any of these questions we can help! The Afterschool Centers on Education (ACE) is currently accepting applications for participation in our program. Our program is an academic based program designed to help students become successful learners by helping with homework assistance; reading, math and science tutorials as well as STARR Test preparation. On top of that, we do have activities that are fun academic enrichment activities as well! These activities range from, culinary arts, robotics, basketball, soccer club, readers theater, crafts and girls and boys groups. **We serve students in grades 7 and 8 only.** Bus transportation is available on a limited basis to students.

If you are interested in the program, please fill out the information below and have your student return it to the school front office or you may email it directly to leigh.jennings@brazosportisd.net. We will then contact you with further information about enrolling your child in the ACE program. Space is limited, so be sure to get these in as soon as possible. Submission of this form is not a guarantee of enrollment in the program.
