

What is a School-Parent Compact?

A school-family compact is a written agreement between schools and families that describe how they will work together to support children in reaching high academic standards. As a school receiving Title I funds, Freeport Intermediate School developed this compact in collaboration with parents and students as a way to clarify responsibilities and provide a written commitment of how we agree to share these responsibilities for student learning

-Jointly Developed-

Freeport Intermediate parents and staff work together and share ideas to develop the school-parent compact. Title I Committee meetings are held each year to update the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback at any time. Please check your student's Campus Google Classroom for upcoming events and activities. We encourage you to attend meetings, so that you can have a voice in decision-making for Freeport Intermediate.

-Communicating about Learning-

Freeport Intermediate is committed to frequent two-way communication with families about their child's learning. Some of the ways you can expect us to reach you are:

- Email
- Parent-Teacher Conferences
- Report Cards 4 times a year: every 9 weeks
- Personal notes or phone calls from teachers
- To make an appointment with your child's teacher, please call: (979) 730-7240
